Dear Students,

Academic Material for the Coming Weeks – Grades 3 and 4

It is important that you complete the work below. You have to spend some time on your reading, writing and math **every day**.

Prelist/GRID and On-Demand-Tutoring

- Review the GRID questions from Term 2 and make sure that you know them well.
- You can visit the ODT (on-demand-tutoring) on SDP for videos of concepts where you are unsure of any points. A link was added to your SDP account that will take you directly to the ODT videos.
- Make sure that you specifically practice concepts on your Prelist so that you learn your failed essential concepts well by the time school starts again.

Writing

- In the box below are some writing topics. You can do one every week while the school is closed.
- **All the topics are narratives in the first person.**
- You can write these on any piece of paper, or you can download the writing worksheet from the SDP.
- All our written paragraphs must be handed in to your teacher/supervisor on the first day of school.
- You will get a sticker for every story you hand in. Students with all 4 stickers will also get a certificate.

Writing Topics	
Week 1	Write about a time you helped someone.
Week 2	Write about a time you lost something.
Week 3	Write about a time you visited an exciting place.
Week 4	Write about a fun time you had with friends.

***Remember to include lots of adjectives, adverbs and time sequence words.
Your story must have an introduction, a problem and a solution to the problem.
Write your paragraph the way you were taught in class..***

Mental Math

- Mental math is excellent practice for your brain.
- Go through your green mental math book and do 10 minutes of addition, subtraction and multiplication every day during the holiday.
- Don't forget to try and answer in less than 10 seconds.

Regards,
School Administration

المواد الأكاديمية للأسابيع القادمة لصفوف 3-4

عزيزي الطالب،

من المهم جداً أن تقضي بعض الوقت في القراءة والكتابة وممارسة الرياضيات الذهنية وبشكل يومي . وفيما يلي تجد ما يجب عليك إكماله:

Prelist/GRID and On-Demand-Tutoring

- مراجعة أسئلة ال **GRID** من الفصل الثاني للتأكد من أنك فهمتها جيداً.
- يمكنك الدخول إلى **ODT** في **SPD** ومشاهدة مقاطع الفيديو على الصفحة لمتابعة المواضيع التي لم تفهمها جيداً.
- تم إضافة رابط إلى حسابك في **SPD** سينقلك مباشرة إلى فيديو **ODT**.
- تأكد من أنك تراجع المفاهيم التي لم تنجح بها على وجه التحديد ، في قائمتك التمهيدية ، قبل حلول الوقت الذي تبدأ به المدرسة من جديد.

الكتابة:

- في الجدول أدناه تجد بعض المواضيع . يمكنك كتابة نصّ كلّ أسبوع في فترة الأسترحة.
- جميع المواضيع هي نوع السرد (عن الكاتب).
- يمكنك كتابة المواضيع على الورق أو طباعة أوراق العمل من **SPD** .
- يجب تسليم جميع المواضيع إلى المعلم أو المشرف في اليوم الأول من المدرسة .
- ستحصل على ملصق **Sticker** عن كل موضوع تكتبه، وفي حال جمعت أربعة ملصقات ستحصل على شهادة.

Writing Topics	
Week 1	Write about a time you helped someone.
Week 2	Write about a time you lost something.
Week 3	Write about a time you visited an exciting place.
Week 4	Write about a fun time you had with friends.

Remember to include lots of adjectives, adverbs and time sequence words.

Your story must have an introduction, a problem and a solution to the problem.

Write your paragraph the way you were taught in class..

الرياضيات الذهنية:

- الرياضيات الذهنية هي ممارسة ممتازة لعقلك.
- إقضى عشر دقائق يومياً في حلّ مسائل الجمع والطرح والضرب في كتاب الرياضيات الذهنية الأخضر في أثناء العطلة.
- لا تنس أن تحاول الإجابة في أقل من 10 ثوانٍ.

تقبلوا تحياتنا ،
الإدارة
